Verse 1

I need nothing
 To travel the sea
 I need nothing
 I need nothing
 But there's something
 Eating at me
 Black water
 Take over

Chorus

Swallowed by a vicious vengeful sea oh ooh oh-oh
 Darker days are raining over me oh ooh oh-oh
 In the deepest depths I lost myself oh ooh oh-oh
 I see myself through someone else

Verse 2

The strange silence
 Surrounding me
 Grows closer
 Feels colder
 But I'm ready
 To suffer the sea
 Black water
 Take over
